

WE ARE CURRENTLY EXPERIENCING AN OUTBREAK OF GASTROINTESTINAL ILLNESS

We recommend that you visit our facility another time, but if you choose to visit today, wash your hands **with soap and water** to prevent the spread of illness:

- upon entering the facility
- on your way out
- before eating or drinking
- after using the restroom or helping a resident to use the restroom

DO NOT VISIT if you are sick with
nausea, vomiting, or diarrhea

NO VISITORS under the age of 16
